Ladies and Gentlemen:

The following questions for the above referenced RFP were received by e-mail and are answered and posted for all prospective Offerors. The statements and interpretations contained in the following responses to questions are not binding on the Judiciary unless the RFP is expressly amended. Nothing in the Judiciary's response to these questions is to be construed as agreement to or acceptance by the Judiciary of any statement or interpretation on the part of the Offeror asking the question.

1. Question: If we wanted to use 2 different MBE companies for the duration of the contract would the requirements still be a total of 21%. They each have different specialties that may be required for the future needs of the Maryland Judiciary. .

Response: The overall goal is 21%. If you chose to use two different MBE firms you must assign the 21% goal base their expected subcontract dollar amount divided by your total bid/proposal amount.
